1 as to all those companies, and if that's
2 confusing or you need me to clarify, just let me
3 know. Is that fair?

4 A Yes, that's fair. That is a long list
5 of companies, so it may be helpful to separate
6 some of the -- some of that up.

7 Q Yeah. I'm just trying to use our time
8 effectively here, if possible, and get you on
9 your way as well.

10 But, again, if you need me to ask
11 specifically as to a company or it is confusing,
12 just let me know. Okay?

13 A Okay.

14 Q All right. For this first one, I will
15 break it up to hopefully make it a little
16 cleaner. When did Calibre and Nuza first begin
17 working with Martian Sales?

18 A I believe in 2023.

19 Q And what does Calibre do on behalf of
20 Martian Sales?

21 A Calibre provides contract manufacturing
22 services for Martian Sales.

23 Q And what does Nuza do?

24 A Nuza provides contract sourcing
25 services, some logistics services, and also

Page 31

1 outsources the contract manufacturing of extract
2 or extraction-type processing.

3 Q What does LP do, LP IND do, on behalf
4 of Martian Sales?

5 A LP provides contract extraction
6 services that ultimately were producing a product
7 to the specifications that Martian Sales had set
8 forth.

9 Q What does CC US Holdings do with
10 regards to Martian Sales?

11 A I don't believe that CC has any
12 business with Martian Sales.

13 Q So, as I understand your prior
14 testimony, CC is really more administrative,
15 management of these other entities, such as
16 Calibre, Nuza, and LP?

17 A Yes.

18 Q What does FMK Group do on behalf of
19 Martian Sales?

20 A FMK Group, I don't believe, has any
21 business with Martian Sales.

22 Q You don't believe one way or another or
23 do you know with certainty one way or another?

24 A They -- not to my knowledge, they've
25 never had any business with Martian Sales.
